Meet Walter Wolff.....

My name is Walter Wolff. I am a sophomore at Winthrop University, where I am working on a degree in elementary education. I enjoy playing sports, hanging out with my fiancé, and playing Xbox. I grew up in Rock Hill S.C. and attended Rock Hill High School. This will be my 5th summer at the YMCA and my second summer as site director. I am really excited about this summer, and that you have chosen to have your child spend their time with us. We will be doing a lot of fun activities this summer including our second annual Great Wolf Lodge trip. I can not wait to meet you and your child soon!

Meet Patrick Burnett....

My name is Patrick Burnett and this will be my fifth summer working at the YMCA. While working at the YMCA I have served as an afterschool and summer counselor, as well as a soccer and basketball coach. This will be my first summer working with Adventure Club, after being a counselor at Camp Quest for the past four summers. I am currently attending the University of South Carolina where I am a die-hard Gamecock fan. I am pursuing my degree in Elementary Education. I plan on graduating within the next two years and begin my career teaching and coaching.
