A CLOSER LOOK: CAMP QUEST

The 2012 Camp Quest staff has been working hard to prepare for what we hope to be one of the greatest and most memorable experiences of your child's life. We have many exciting trips and activities planned and hope that each day brings a new and enjoyable experience.

Camp Quest is known for excellence and has won more awards than any other camp here at the YMCA! We look to continue that same pattern this summer in working towards the 2012 Camp of the Year Award.

In addition, this newsletter will be used to inform

parents and campers of the upcoming week's agenda and to review the previous week's outcome. We will name a Camper of the Day for each camp day as well as for the week, month, and summer! Encourage your child to participate and behave while at camp!

Camp Quest has a direct line in which you can reach a Site Director at all times! That number is **803.242.0167**

Do not hesitate to give us a call with any questions, comments, or concerns you may have.

If your child has any medical specifications please be sure to let us know!

REMINDERS

Please be sure to pack a lunch for your child everyday that they may attend Quest.

Non-microwavable lunches are encouraged when packing your child's lunch.

Please send sunscreen with your child if they plan to swim! We will not provide sunscreen and those without sunscreen will not be allowed to swim. There will be gym access for those who do not have sunscreen or a bathing suit.

2011 CAMPERS OF THE YEAR

Congratulations to Joshua Eakin & Tya Hairston for being named the 2011 Campers of the Year! These campers demonstrated great attitudes toward their counselors and their peers all summer long. Thanks for doing such a great job; you have set excellent examples for future Quest campers! Who will be named the Campers of the Year for 2012?

It could very well be YOU!

PSALM 145:3

GREAT IS THE LORD AND MOST WORTHY OF PRAISE; HIS GREATNESS NO ONE CAN FATHOM.
