- field trips
- manipulatives
- arts and crafts
- Kids in the Kitchen
- playground time
- devotions
- singing
- Dancing
- And more!

All of these activities are designed to promote independence and responsibility skills in this age group!

Camp Little Feet is where excellence begins!

Newsletters

Each Friday our camp will pass out a newsletter that will have all the information you will need for the upcoming week of camp. Each newsletter will have information that both you and your child will need to know about the events and field trips that will be taking place. Information will include a weekly schedule, calendar changes, camper of the week announcements, helpful camp tips, and much more. The newsletters are for your benefit and that of your child, so we strongly encourage you to review the information and talk with your children about any upcoming events to help everyone stay informed and ready for another wonderful week at camp!

Field Trips include:

And more!

Each child will receive one free camp t-shirt at the beginning of camp. The shirt will be labeled with their names on the inside tag to avoid shirts being mixed-up, lost, or stolen. Please make sure that your child wears this t-shirt on each scheduled field trip day. This will allow our group to be easily identified and will make it much easier for the children to stay together when we are out and about. **Extra t-shirts may be purchased after the first week of camp.**
