Lake Wylie YMCA Group Fitness Class Descriptions

Functional Fitness: Focus on stretching and strengthening the core using a chair for balance and stability. Improve mobility, increase heart rate, and improve range of motion incorporating hand weights and bands. **Levels 1-3**

Pilates: This is a multi-level core centered workout. It is perfect for beginners but will also challenge those who are more intense with their fitness goals. Learn skills to achieve balance and flexibility while lengthening and strengthening muscles through mat work developed by Joseph Pilates. **Levels 1-3**

Power Yoga: This yoga class is a system of practice used to create balance on all layers of self (physical, energetic, emotional and mental) using the three main threads of yoga practice: body, breath, and mind. The Asanas: (poses), Vinyasas: (flowing movements), Pranavama: (breathing techniques), and turns on the mat, are creatively integrated while using all major ranges of mobility for arms, leg and spine. The primary goal of practice is not to target the body, but to target one's concentration, focus and attention: to turn it all inward, creating a serenely stable inner atmosphere conducive for awareness and personal development. **Levels 1-3**

Zumba Gold: An innovative, fun and exciting program. Zumba Gold was designed for the older adult, the true beginner, and/or people who may be limited physical. **Level 1**

Zumba Gold Toning: This class blends the Zumba party you love at a slower pace with redefining total body workout using Zumba Toning Sticks and/or light dumbbells to shake up those muscles! Tailored for active older adults who want to focus on muscle conditioning and light weight activity. **Levels 1-2**

Zumba Toning: This unique class combines targeted body sculpting exercises and high energy cardio work with Latin infused Zumba moves to create a calorie torching, strength training dance fitness party. Light hand weights and/or Zumba toning sticks are used. **Levels 1-3**
