

UPPER PALMETTO YMCA

The Y is an experience that's even better when shared. YMCA members are encouraged to bring guests to show them how valuable a YMCA membership can be. The Upper Palmetto YMCA allows guests to visit under the following conditions:

- **Guests are welcome to visit any UPYMCA location twice per calendar year**
 - There is no fee when accompanied by a YMCA member.
 - If unaccompanied, guests are subject to a daily fee of \$15 for an individual pass or \$25 for a household pass.
- **For guests visiting from outside of the Tri-County area, we also offer a 1 week (7 consecutive days) guest pass, which can be purchased instead of two individual day passes. These passes are only available to guests who have not used either of their 2 allowable guest visits.**
 - An individual week pass can be purchased for \$25, or
 - A household week pass can be purchased for \$50
- **YMCA Members of other Associations**
 - The Upper Palmetto YMCA participates in the YMCA of the USA's Nationwide Membership program. Simply present your active YMCA Membership card, the name of your home branch and a valid ID, and enjoy access to our facilities. Note: YMCA members **MUST** use their home branch at least 51% of the time.
