CLASS DESCRIPTIONS:

A.M. Energizer - works out in both shallow and deep water. 45 minutes of moderate to intense cardio incorporation sprinting, tabata, intervals and boxing. Using noodles and dumbbells for muscular strength and endurance training.

Aqua Cardio & Strength: Enjoy a fast paced class consisting of, an intense cardio workout, including core strength training & muscular strength & endurance using the water as resistance and noodles/water dumbbells.

Aqua Challenge: An intense interval training workout that incorporates jogging, jumping, kickboxing, Treading, and strength moves for the core all with motivational music to keep you challenged!

Aqua Circuit/HIIT - Warm-Up moves into alternating aerobic movements with strength exercises using dumbbells and/or noodles. Aerobic movements will include running, jumping, kicking, skipping, change of directions and twisting. Core exercises will be performed last 15-20 minutes of the class.

Aqua Dance Fit - Integrating the cardio type dance and philosophy with traditional aqua fitness disciplines, Aqua Dance fit blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, super fun!!

Aquatic Sports Conditioning 101: Movements that mimic many sports moves to include full range of motion and joint specific actions. Includes jumping, rebounding, kicking and twisting movements.

Aqua Zumba: Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

Water Cardio Fitness – Deep This class is designed to increase the heart rate and condition the whole body. It combines cardiovascular and muscular endurance, strength and core abdominal work utilizing the deep end of the pool

Water Fitness –Light - A lighter version of our Water Fitness class with low impact on joints. This class designed to challenge you with emphasis on longer stretches and improving cardiovascular fitness.

Water Arthritis - This shallow water class, co-developed with Arthritis Foundation and the YMCA of the USA, is designed for those living with the challenges of arthritis. The focus is to help improve mobility and pain by strengthening muscles and improving joint flexibility and range of motion. Exercises are performed in water depth that is comfortable and allows you to maintain balance while exercising.

Water Fitness: The best of both worlds! Enjoy a 30-minute combination of deep/shallow water cardiovascular exercise ending with 5-10 minutes of gentle strengthening and flexibility. Leave invigorated and relaxed!

Waves (Water Arthritis/Walking): Beginner-intermediate level walkers, All ages, Medium to fast paced walking; learn basic water walking techniques. Calls will incorporate AF exercises for a full body workout.

Water Works : a compilation of warm-up, cardio, muscular strengthening with bells, balancing, and stretching. This class will help to increase stamina and strength. It is a mid to high impact class, but is designed for all levels of participation. Participants can work at their own level with ease. This is a good class for all ages. Work out is set to music.

ADULT SUPERVISION

Children 11 years and younger must have active adult supervision in the aquatics facility at all times.

Youth 12 years may use pools without a designated adult if they are a green band swimmer.

Youth 13 years and older may use pools without adult supervision.

SEVERE WEATHER

In the event that lightning or thunder is present in or around the area, the YMCA requires immediate closure of all indoor and outdoor pools. Pools will remain closed until 30 minutes past the last visible lightning strike or sound of thunder.

CONTAMINATION

In the event of bodily fluid contamination, the pool will be evacuated for cleaning and restoration and may remain closed for an extended period of time.
